WE'RE COMING OUT

"We're Coming Out" expressess many things for the graduates of 1984. Obviously, we're departing from Madison Park where we have formed the foundation for our futures. We have learned many things as we've developed our minds, our abilities, and our personalities.

"We're Coming Out" expresses all the things we leave behind as we begin to make our way out in the world. We leave a part of ourselves at Madison and at the same time, we are taking a part of Madison with us. We leave good friends and good times. We leave an impression of ourselves upon our teachers and all the others we have met during our years at Madison Park High School. We leave our high school years behind as we embrace the future. Look out, world! Here we come! We're Coming Out!

We're coming out,
We want the world to know
We've got to let it show.

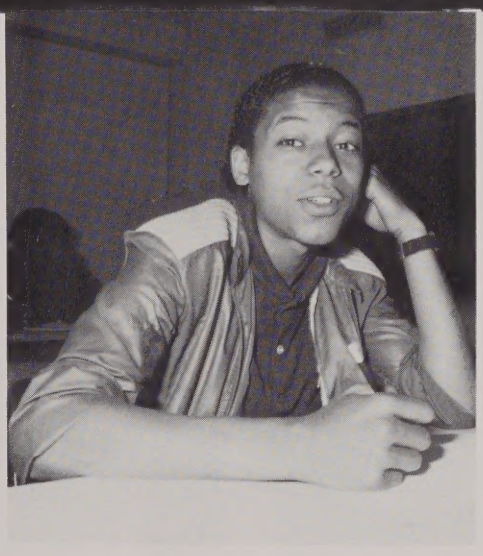
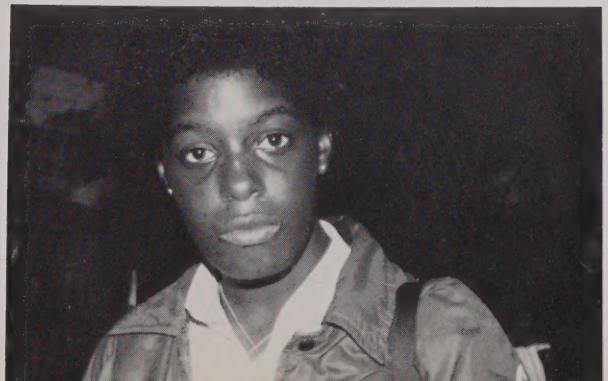
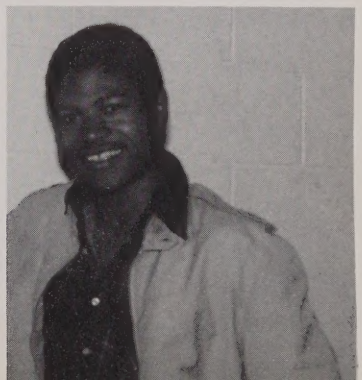
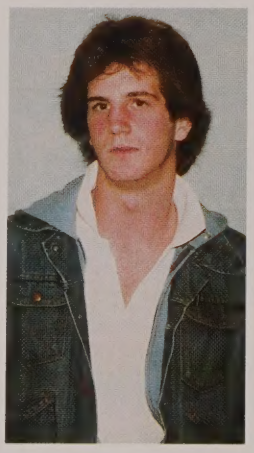
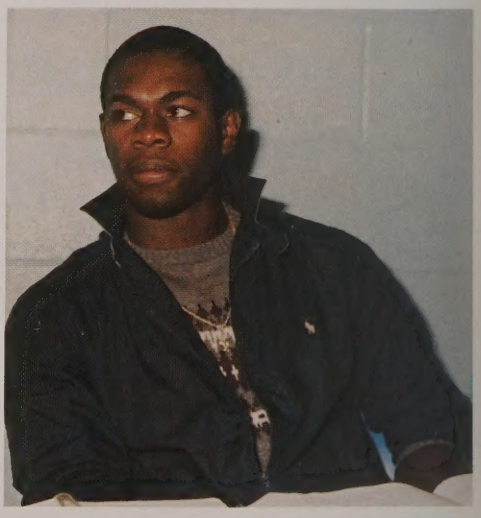
We just have to live and want to give,
We're completely positive.

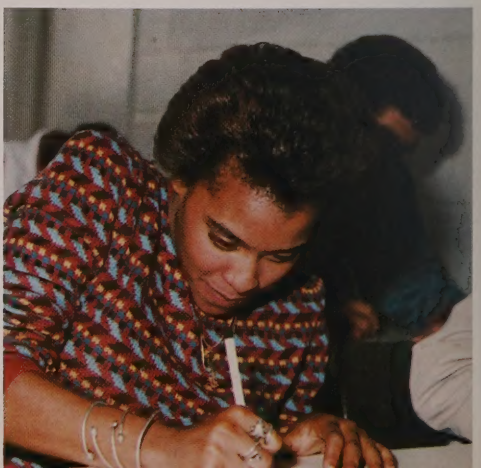




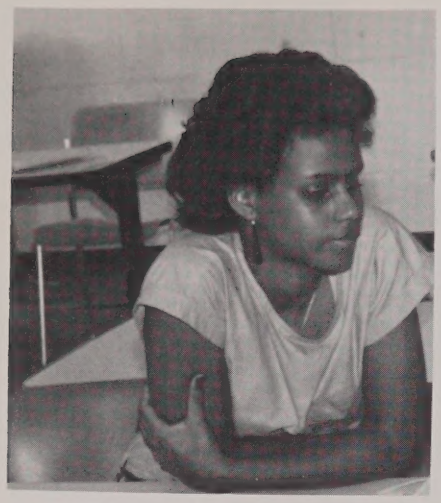


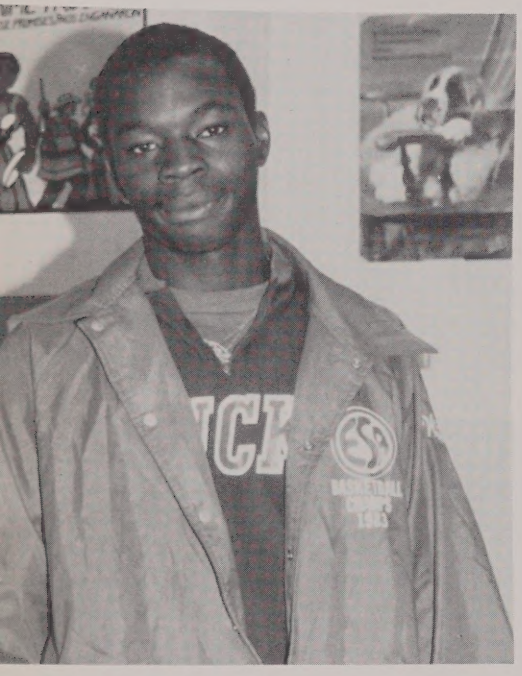


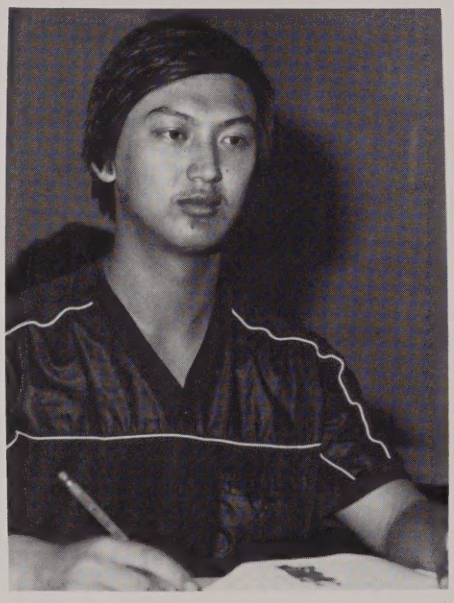


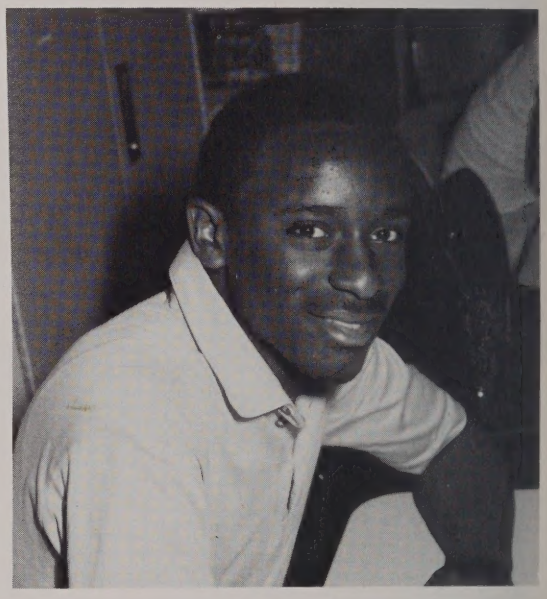


We know this time around
We're gonna do it, like you never knew it
Oh, we'll make it through.

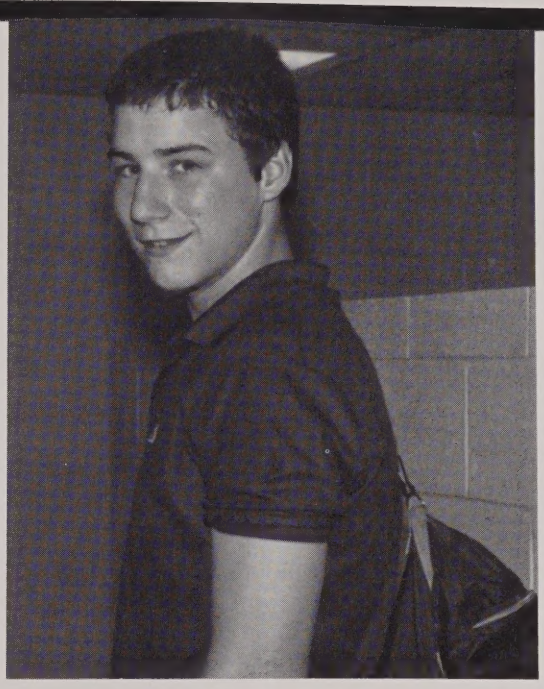


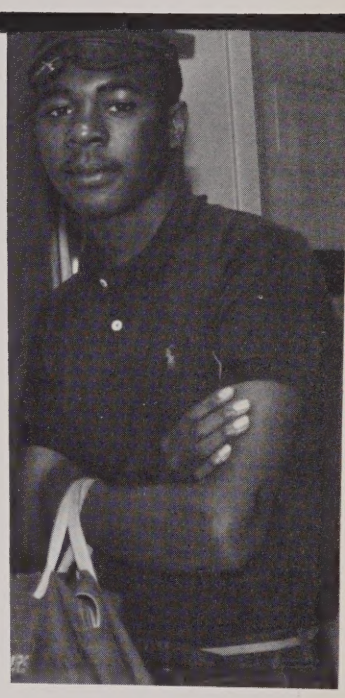


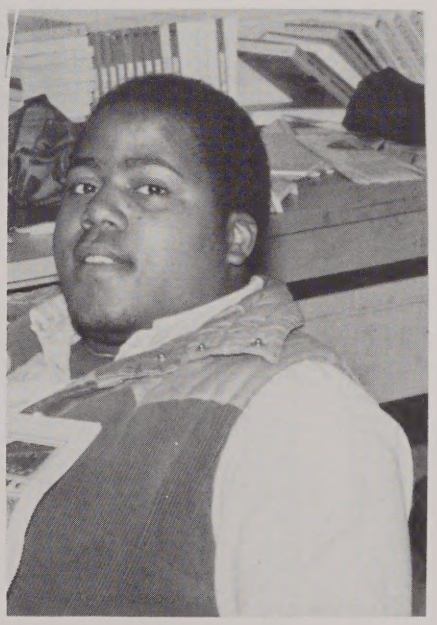


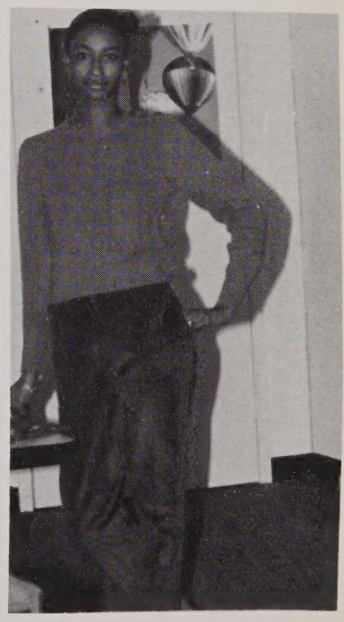


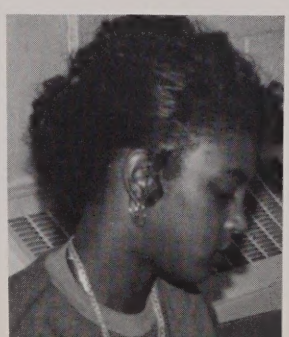
The time has come for us to break out of this shell
We just have to shout that
We are coming out.

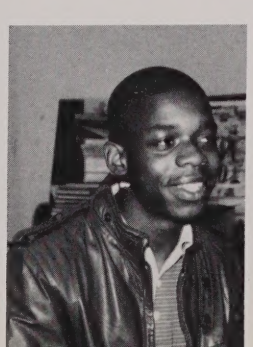












Have a Coke
and a smile

We'd like to show the world,
All we want to be
And all our ability

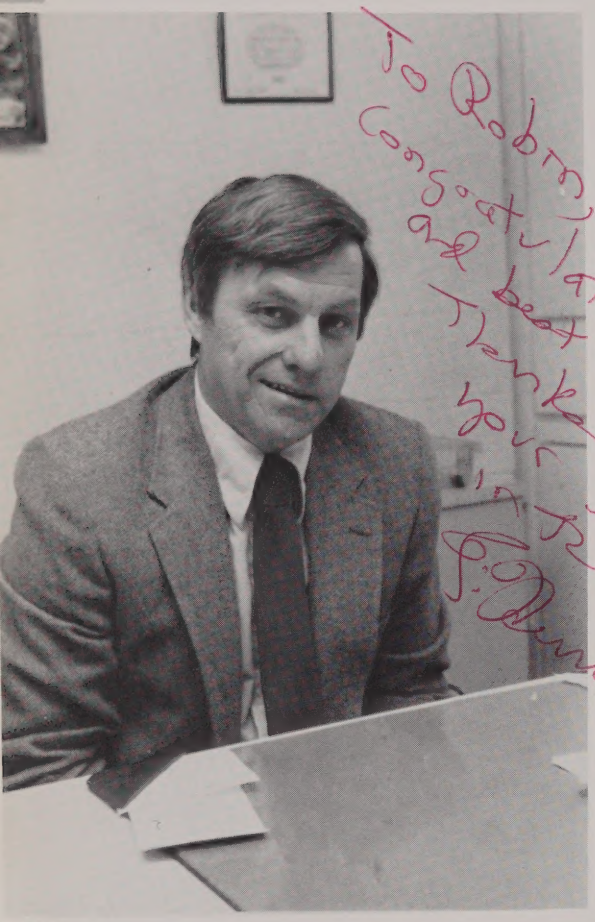
ADMINISTRATION



Thomas Hennessey
Headmaster

Congratulations and best wishes to the class of 1984.

I hope each and every one of you had a successful academic and social experience at Madison Park. I hope Madison provided you with the necessary skills and knowledge to pursue further study or to enter the job market.

Throughout your adult life you will always be learning and trying to improve yourself. I hope you will remember your high school experience at Madison as a place where there was the opportunity to begin to build on your goals and aspirations.

Once again, Congratulations.

A PRESIDENT VISITS MADISON

CAPE VERDE HEAD OF STATE VISITS MADISON PARK HIGH SCHOOL

The visit of Aristides Pereira president of Cape Verde, to Madison Park High School on Sept 29,1983 was an honor and an unforgetable experience. President Pereira was warmly and enthusiastically received by all, especially the 250 Capeverdean students who presented him with a M.P. soccer jacket, and letter, and a plaque commemorating his visit.

The President assured the Capeverdean students that although they live in the U.S.A. now they are still a part of Cape Verde, its heritage, and its future. He also encouraged them to strengthentheir cultural identity and to take advantage of academic opportunities. He also emphasized that improving their educational status would not only affect Cape Verde but also improve the quality of life for the U.S.A.

President Pereira had the distinction of being the first Head of State to visit M.P.H.S.

SUMMER TRIP TO CAPE VERDE ISLANDS

The purpose of the trip to Cape Verde was to promote cultural awareness and exchange between Boston and Praia, Cape Verdean communities so that students would appreciate their bilingual and bicultural heritage. Those on the trip were made aware of the differences and the similarities between the Cape Verdean and American cultures. The trip helped build the bridge with the rich cultural and historical connection between the two cultures.

President Aristides Pereira's visit to Madison park last year helped to consolidate this bridge. He, himself, extended his morabeza - hospitality - to this school, which for the first time hosted the visit of a Head of State. Madison Park, therefore, became part of the international community and sealed an important event in its history which will never be forgotten.

HAPPY BIRTHDAY TRIBUTE

On November 17,1983, the staff and students of M.P. gathered to honor a great man, Dr. Harry Ellis Dickson, on the occasion of his 75th birthday and the dedication of the Harry Ellis Dickson Orchestra Suite in the Roland Hayes Music building.

The entire assembly sang a rousing rendition of 'Happy Birthday' after which several speakers gave tributes to Maestro Dickson. The dignitaries at the birthday celebration included Gov. Michael S. Dukakis, City Council President Joseph tierney, Councillor Chris Iannella, school Committee President Kevin Mc Clusky, and Superintendent Dr. Robert Spillane. Mr. Dickson expressed his gratitude and appreciation for the warm reception he received.

CAMPAIGN '83 CLICKS AT MADISON

1983-84 brought the election excitement of Boston's most important mayoral election in its recent history. First there was a voter registration drive at Madison in which over 100 students registered to vote.

On separate occasions the two candidates, Mel King and Ray Flynn came to M.P. to see the students and to discuss some important campaign issues. The day after the elec-tion, Mayor-elect Flynn kept a campaign promise and visited Madison.

We were honored and pleased that Mel King and Mayor Flynn took the time out of their busy schedules to share with us the excitement of the mayoral race.

SPRING TRACK

TEAM RUNS AWAY WITH SUCCESS

The boys' outdoor track team had a sensational season in 1983. It finished the spring season with a record of 6-1. The undefeated mile relay team made up of Jefferey Williams, Andre Johnson, Chris Brown and anchorman Anthony Holloway, was the mainstay of the outdoor track team.

In the City Championships, the two most outstanding runners were James Davis and Jefferey Williams both of whom won medals for their excellent performances in the relays.

The team also competed in five different state meets. The biggest and most exciting state meet was in Vermont where the team placed third in the Finals.

The team, coached by Kenny Hearns and Assistant Orlando Richards, had one of the most successful seasons in MPHS history.

A REBUILDING YEAR

Over the past years, M.P. soccer team has won more games than any other team in the city. The 1983-84 team added 5 more wins and 4 ties to the impressive string of victories.

The 1983-84 team consisting of many sophomore and juniors gained lots of experience in some toughly contested games. Co-captains of the team were 2 juniors: Manuel Goncalves and Francisco Silva. The team's leading scorers who also made the All-star team were sophomore Nick Tsakakies and junior Francisco Silva. Good luck next year.

SEASON BRIGHTENED BY SENIOR PLAYERS

The 1983 version of the M.P. Cardinals was a rebuilding year and as such, we expected some difficulties early. What we did not expect was to play against three opponents that would cap off their seasons by playing in Super Bowl games.

Even though we did not have a winning record, we still had some individuals who played with the winning attitude.

Darrell Pannell who was asked to play a new position - quarterback - did an excellent job for someone who had never played the position before. Jimmy Gilmore stepped in to fill the void in the offensive line and did an outstanding job. co-captain Chris Norman provided some needed power to our inside running game.

Olin Young did a fine job for us at both the offensive and defensive tackle positions. The Cardinal defense was anchored by Robert White who led the team in solo tackles, and by Julio Medina who led the team in interceptions.

Captain John Lewis did an outstanding job of running and leading the team. His leadership will be missed next year.

PLAYERS GO ALL OUT

The spring baseball team had a 7-7 season. Some of the outstanding players of the spring 1983 team were Ronny Rosa Richy Guzman, Brian Connors, Robert Pineyro, Jimmy Goings, and Wayne Ming. Although some of the players graduated in 1983, there were several underclassmen on the team.

Good luck next season.

THE M.P. FORCE

The 1984 Women's Basketball Team had an outstanding season breaking records, rolling over opponents, and showing amazing skill and spirit. The team broke a Boston single game record by crushing Brighton 107-47. The team was very flexible and adjusted to their opponents' weaknesses. The Lady Cardinals were powered by five seniors. Val Avant was the first player in M.P. history to score 1,000 points. She usually controlled and set the pace of the game. Co-captain Sharon Scott was the team's high scorer with a 20 point average. She could play any position on the court. Valerie Simpson, the other co-captain was close behind averaging 16 points and 14 rebounds per game. Michelle Hasberry backed up Valerie Simpson at the forward position. Stacy Hightower, the defensive spearhead, averaged 4 steals and 10 points a game. May THE FORCE continue to follow the team.

GILMORE SPARKS CARDINALS

The Men's basketball team had a fine season which included beating English in the Christmas tournament.Although the team was a very young team consisting of many underclassmen, senior Pat Gilmore,a veritable tower of strength, was a major asset to the team. He led the city in scoring and rebounding.Seniors Tony Patillo and Jonah Morris added a great deal of leadership and speed. All the seniors showed enthusiasm and a positive attitude necessary to win.

OUTSTANDING SEASON FOR HOCKEY TEAM

The 1983-84 hockey team with a 9-4-1 season was enthusiastic and well-trained and was made up of hard skaters who showed lots of effort.

Under the leadership of team captain Paul Semler, the team showed hustle and the desire to win. Highest scorer for the season was Bob Burke who scored most number of goals the previous 2 seasons also. Jimmy Waple on right wing showed hustle and determination. Mike Hogan did a good job on right wing. There were many underclassmen on the team who show promise and talent for succeeding seasons.

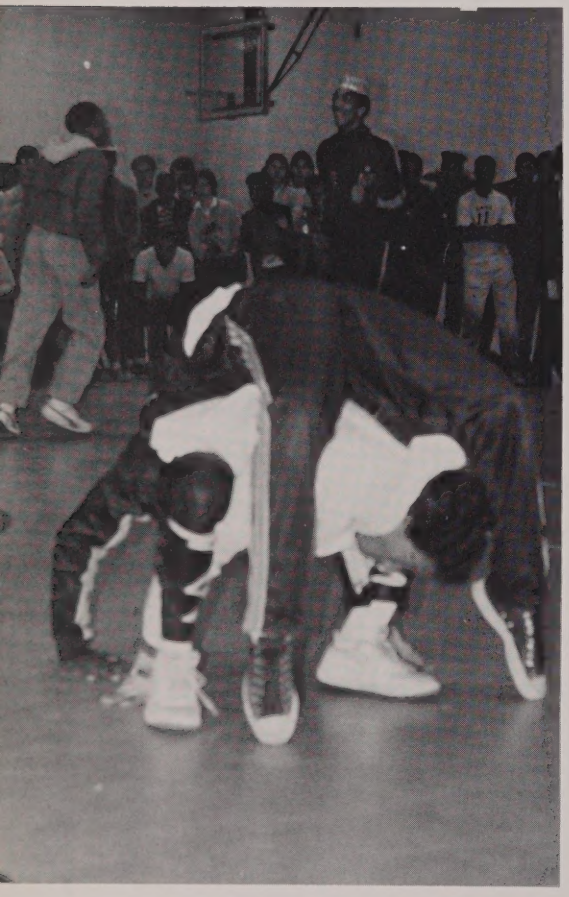
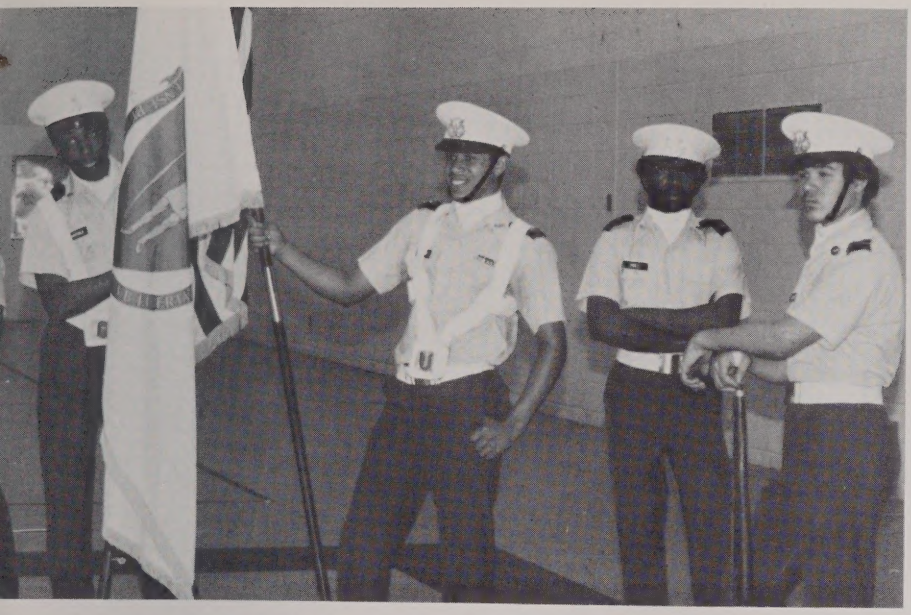
PEP · RALLY

The Student Council sponsored an exciting Pep Rally. It was a very refreshing and cheerful event. All the school's clubs and activities, including the sports teams were represented. There were performances by the cheerleaders, the J.R.O.T.C. drill team and a break dancing group. Students were encouraged to participate in the various activities, clubs, and sports at M.P.





MADISON

RCA TRIP

R.C.A. in Burlington sponsored a Technology and Science Day and invited Madison Park students to the company for a day of discovery. The Technology Day was held to celebrate the 25th anniversary of Burlington's R.C.A. MP students spent an exciting day viewing exhibitions and learning about some of the advances in science and technology for the 1980's.

To my darling daughter Kym, You turned out to be quite a lady...Where there is faith, any obstacle can be overcome
Good Luck...Mom

To Kym,
Whose company we appreciate,whose future we anticipate.
Love,
Uncle Larry And Yakky

To a sweet young lady, Kym it is better to start from the bottom and work your way up,rather than starting from the top and working your way down.
Love Ya,
Princess (Lisa)

To Lisa,
Be glad that you are free; there are many men who are not free to go anywhere at anytime.
